Amazon.com: connect the dots books

Connect the dots books are probably the oldest of the oldest traditions. I did them when I was little. My mom did those when she was little and I am sure my grandma would've done them too. The thing about dot to dot books or connect the dot puzzles, as they are so often called is that they can be made as easy or as difficult as possible. Hence, these types of books come in a huge range of age levels: starting from young children up to adults.
